Fastrol Universal SG/CD

Dear Sir / Madam,

With the following letter I can confirm that the engine oil HILL Corporation, Fastrol SG/CD SAE 5W-30, 5W-40, 10W-30, 10W-40, 10W-50 when manufactured with Infiniteum D1240 at 4.6 mass% and Infiniteum D1243 at 2.4 mass% together with Infiniteum SV260 viscosity modifier and suitable base oil will meet the requirements of the specification.

API SG / CD

Please be aware that any change to the treat level may affect the ability of the finished lubricant to fulfil this claim

Yours faithfully,

A handwritten signature in blue ink, appearing to read "P. McIntyre", with a long horizontal flourish extending to the right.
